THE PRESIDENT'S CORNER

TO: ASHRAE Members

Summer is quickly coming to an end and the 2003-2004 ASHRAE year is upon us. We, as your Board of Governors, have met a couple of times this summer to develop an operating plan to ensure a successful year filled with interesting technical sessions and seminars. We also plan to have some fun at our annual Christmas party in December and at our golf tournament next month. There is a sign-up for the golf tournament included in this mailing.

I would like to re-introduce you to our Board of Governors that we elected last spring. Serving as President Elect will be Jeff Gatlin. Gary Whittam is our Vice President and our Programs Chair. Stephanie Cianciola is a new member of the Board and will be our Secretary this year. Our three at large members include Rodney Lum, Jimmy Doyle and David Branch. Also, Jim Prillaman is our Treasurer. The following is a list of our different committee chairs:

- | | |
|------------------|--|
| Calvin Williams | Membership Promotion |
| John Colmer | Student Activities |
| Marty Harrington | Honors and Awards |
| Brian Schaffler | Resource Promotion |
| J R Anderson | Technical, Energy & Government Activities (TEGA) |
| Bill Jason | Historian |
| Chuck Royer | Webmaster |
| Denver Glazier | Newsletter Editor |

I would like to thank all of these individuals for their involvement and hard work! As you know, the Memphis Chapter of ASHRAE is a completely volunteer organization. Over the years we have an outstanding record both on the local level and on the regional level. In order to keep up this kind of track record, we need to constantly get new individuals involved. Therefore, be open when asked to participate and even step up once in a while and ask, "What can I do to help?" I am confident with everyone's involvement, we can make this the best year we have ever had.

THE PRESIDENT'S CORNER (CONT.)

I would also like to send special thanks to Brian Schaffler for successfully leading the chapter as President in 2002-2003 as we continued our tradition of excellence.

Our Programs Chair, Gary Whittam, has been extremely busy not only being a new father, but also setting up our programs for the upcoming year. He has already booked our September, October and January speakers and is looking to fill our other slots. Please call him at 432-3318 or e-mail him at gary.e.whittam@jci.com if you have an interesting speaker and/or subject.

Finally, I would like to let you know that I am excited for a great year and to serve as President of the Memphis ASHRAE Chapter. I am open to your questions and suggestions not only about our chapter, but also about ASHRAE in general. You can reach me at 348-2817 or crclaude@trane.com. I look forward to seeing all of you next Tuesday at our 2003-2004 kick-off meeting at CBU.
